MILES EDGEWORTH

PERFECT PROSECUTOR

Move over Phoenix, there's a new lawmaker in town

Format DS Publisher Capcom Developer Capcom

With Phoenix Wright hanging up his blue suit and red tie, and replacement Apollo Justice proving less popular than expected, Capcom has turned to prosecutor Miles Edgeworth to reinvigorate everyone's favourite courtroom franchise.

This time you'll control Edgy and detective sidekick Dick Gumshoe from a 2D third-person perspective, investigating crime scenes and examining evidence. The game apparently takes place around the time of the third *Ace Attorney* game, *Trials & Tribulations*, and it's been confirmed that whip-cracking prosecutor Franziska von Karma makes a return. While much of the gameplay remains similar – presenting evidence and contradicting statements – there's much more environmental interaction this time. Given the amount of text, we wouldn't expect this until the latter half of

Dress To Impress

You've got to give it to Miles, the lad knows how to dress.

Screen Of The Crime No more static screens – you physically control your lawyer this time around.

2009, but either way it's easily one of our most eagerly-anticipated DS titles of the year. +
